

Adams
TOOL HOUSE
GENERAL TRADING LLC

About Adams Tool House

A rapidly growing professional trading company driven by a team of experienced entrepreneurs, Adams Tool House is a trustworthy supplier of power tools, construction equipment, safety products and accessories.

We are specialised in hand tools, generators, welding machines, testing and measuring instruments, air compressor, industrial fans, pneumatic tools and ethernet products. We are dealers of world-class brands like Makita, Dewalt, Telwin, Hioki, Unior, Abac, Caldertech, Mega and Klinspor.

Quality Delivered On Time

'Quality Delivered on Time' is our motto. True to it, Adams Tool House has been uncompromising in its constant approach to deliver the best, always keeping in mind your invaluable time. Your encouraging words energise us and make us more responsible as we raise the bar steadily on our performance and toil relentlessly to achieve loftier standards. Adams Tool House has a fast-growing client base in the UAE and the rest of the Middle East as well as Africa region. We make sure that the equipment and tools we provide you have the desired international certification. We also have the right expertise at our end to carry out effective follow-up after selling the equipment to see to it that you have a hassle-free time while getting used to all the tools and equipment.

Mission

Adams Tool House is dedicated to delivering unparalleled quality and value in the supply of power tools, construction equipment, safety products, and accessories.

Vision

Our vision is to establish a lasting legacy as a premier supplier, renowned for our unwavering commitment to excellence, reliability, and innovation. Through strategic partnerships, cutting-edge products, and a customer-centric approach, we aspire to shape the future of the industry, setting new standards and consistently exceeding the expectations of our clients.
